

Review Freight Unit Building Rules

Explanation	Screenshot
1. Choose the app <i>Display Freight Unit Building Rule</i> to proceed.	
2. The freight unit building rule FUBR_S4TM1 was already selected for your convenience. Choose <i>Continue</i>.	
 The system considers the Freight Unit Building Rule (FUBR) when creating and editing freight units. The FUBR specifies which type of document will be generated. Users can either enter a document type directly or set a
